CHANCE ENCOUNTER BY CHINESE OF JAPANESE TROOPS AT YOYANG LEADS TO RENEWED FIGHTING

MAJOR OPERATIONS START IN KIANGSI & SHENSI

CHANGSHA, Oct. 20 (Central)—Field dispatches report that sharp fighting has been going on between Linsiang and Taolin, in North Hunan, during the past two days.

Chinese vanguards had a chance encounter with 500 Japanese troops marching southward from Yanglowsze, 37 miles northeast of Yoyang, on the Canton-Hankow Railway on Wednesday morning. Fighting raged until yesterday evening, when the Japanese were repelled, suffering over 200 casualties.

FIRST REAL SUCCESS OF ALLIES

NEW YORK, Oct. 20 (Reuter)—The Western Allies have gained substantially through the Anglo-Franco-Turkish Pact, says the "New York Times." It constitutes their first real success since the beginning of the war and, after a series of disappointments and reverses, it is doubly welcome.

NO CEREMONY

ESTANBUL, Oct. 20 (Reuter)—The signing of the Anglo-Franco-Turkish Pact at Ankara was performed without any pomp and ceremony by the British Ambassador, Sir Hugh Knatchbull-Hugessen, the French Ambassador, M. Massigli, Gen. Wavell and Gen. Waygand, on behalf of Britain and France, and the Turkish Prime Minister, Refik Saydam, and Field-Marshal Tokatmak on behalf of Turkey.

Afterwards the signatories toasted each other in champagne, stressing the importance of the new entente cordiale in aiming at the restoration of justice and lasting peace in Europe.

WEIGHTY FACTOR

DAMASCUS, Oct. 20 (Reuter)—Arab public opinion greeted the Pact with the liveliest satisfaction and it is felt that security has been definitely established in the Near East.

The press described that Pact as a "weighty factor directing events towards a final victory for the Allies."

WELL RECEIVED

ATHENS, Oct. 20 (Reuter)—The signing of the Anglo-Franco-Turkish Pact is exceedingly well received by the public. The press reflects general satisfaction.

EURASIA TO RESUME AIR SERVICE BETWEEN COLONY & CHUNGKING NEXT WEEK

The Eurasia Aviation Corporation's air service between Hongkong and Chungking, which was suspended at the outbreak of the European war, will be resumed early next week, it was learned yesterday from Mr. Tang Chi-kuk, manager of the local office.

It is understood that the planes will be operated by selected, experienced Chinese pilots.

The Corporation's German pilots have decided not to come here for fear of being interned, although reliable sources indicate that the British authorities had given assurance, through the Chinese Government, that they would be permitted to enter Hongkong under supervision in the execution of their duty.

Mr. D. D. Li, general manager of the Corporation, will be among the passengers on the first trip outward from Hongkong. Particulars regarding services may be obtained at the office of the Corporation, King's Building.

New Polish Independent State

COPENHAGEN, Oct. 20 (Reuter)—The new independent State of Poland will be formed from November 1, according to the Berlin correspondent of the "Politiken."

It will be about the size of Bulgaria and the capital will be Warsaw.

Three million Polish Jews will be settled in a special Jewish State with Lublin as the capital.

We are all waiting.

BUDDHIST CHAIRMAN KIDNAPPED

SHANGHAI, Oct. 20 (Reuter)—According to press reports, the Settlement Police are investigating the kidnapping of Yuan Ying, well-known Buddhist leader and chairman of the Buddhist Association in China, who has, it is alleged, been kidnapped by Japanese plainclothes men from the headquarters of the Association in the Western District.

Yuan Ying was removed to the Japanese Gendarmerie Headquarters, it is alleged, for having collected \$100,000 locally and handed it to the Chinese Government for conducting the war against Japan.

Some 600 remnant Japanese

north-east of Yitaitow, are

reported to have been surrounded

by the Chinese. With their rear

cut they are in a precarious position.

The Japanese column pushing

towards Sianming, south-west of

Fuhsien, is being engaged by the

Chinese defenders in the suburbs

of the town.

In South-East Shanxi, a Japanese

offensive on the Chinese positions

near Hukwa has been repelled

with heavy losses. At the Chang-

ze sector, the Chinese took the

offensive a few days ago and in-

flicted casualties on the enemy.

IN SOUTH HOPEI

AN UNDISCLOSED PLACE

SOUTH HOPEI, Oct. 20 (Central)

A Japanese westward push from

Neikuo, on the Peking-Hankow

Railway, in South Hopei, resulted

in a disastrous defeat recently.

The Japanese were trapped and

route by the Chinese, suffering

over 100 casualties.

Detective-Inspector W. N.

Darkin, in charge of the pro-

secution, said that the defen-

dant wanted money and was

going to ask one Chai Din to

settle a debt of 15 cents when

the deceased interferred.

Words were exchanged and re-

sulted in a minor fight. During

the struggle, the deceased bent

down to pick up his clogs and

while doing so the defendant was

alleged to have grabbed the de-

ceased's legs and thrown him

over, causing his head to strike

against the cement pavement.

The defendant then stopped for

a moment and made off towards

Central district in a tram.

A report of the incident was

made to the police and the de-

fendant was arrested in Kowloon.

BROKEN NECK

Dr. P. E. S. Court, of the Queen

Mary Hospital, testified that the

cause of death was a broken

neck due to, he said, force being

applied to the head on the left

side.

Cheng Pan-fel, a friend of the

deceased, gave evidence that he

knew the defendant about 10 days

prior to the incident.

Witness said he saw the de-

ceased and defendant quarrelling

in Jaffe Road at the stairway of

house No. 93. He went up to

quarrel with them. The two were

journeyed until this morning.

AMERICA WILL STAND NO FURTHER NONSENSE FROM JAPAN: SCATHING SPEECH BY AMBASSADOR TO TOKYO GATHERING

"Emasculated And Truncated" Version Of The Open Door: Barbarism Of Air Bombings

U.S. PUBLIC OPINION UNANIMOUS FOR ACTION

An extremely frank exposition of Japanese-American relations was given by Mr. Joseph Grew, United States Ambassador to Japan, when speaking at a luncheon of the American Japan Society in Tokyo yesterday.

In the course of his speech, Mr. Grew, according to a Reuter message from Tokyo, declared that the American people were determined to uphold their long-established rights in China.

The American Ambassador said that his views accurately represented and interpreted the current thoughts of the American Government and people.

and people did not understand the new order in East Asia.

CLEARLY UNDERSTOOD

The American Government and people understood the new order as precisely and clearly as Japan, the Ambassador declared. The new order had been officially defined by Japan as an order of security, stability and progress.

Mr. Grew said that this American Government and people desired not only for themselves but, for all nations throughout the world. He added, "But the new order in East Asia appeared to include depriving Americans of long-established rights in China and to this the American people are opposed."

The Ambassador said that his views accurately represented and interpreted the current thoughts of the American Government and people.

In the interests of future Japanese-American relations the United States envoy declared, those facts must be faced. Only by constructive steps to alter the facts could relations between the two countries be improved.

He pointed out that American people believed in equality of commercial opportunity throughout the world. Even Japan had insisted on, and received, benefits of the "open door" in areas other than China "where we are told that American public opinion strongly resents some of the things the Japanese armed forces are doing in China to-day including actions against American rights and legitimate interests in China."

Mr. Grew then stressed the facts accurately known to the American Government and people.

The Ambassador said that his views accurately represented and interpreted the current thoughts of the American Government and people.

Gambling Debt Of 15 Cts. Leads To Murder: "Strong Man" Faces Charge: Wanchai Fight Sequel

An alleged quarrel over a gambling debt, between two friends which was stated to have resulted in a fatal exchange of blows, led to one of them facing a charge of murder before Mr. R. A. D. Forrest at the Central Court yesterday.

The accused was YU WAI-TIM, alias TAI KAU-LO ("Strong Man"), who was alleged to have killed his friend Yau Kam-hoi, aged 25, at the junction of Jaffe Road and Luard Road on September 23.

Detective-Inspector W. N. Darkin, in charge of the prosecution, said that the defendant wanted money and was going to ask one Chai Din to settle a debt of 15 cents when the deceased interferred.

Words were exchanged and resulted in a minor fight. During the struggle, the deceased bent down to pick up his clogs and while doing so the defendant was alleged to have grabbed the deceased's legs and thrown him over, causing his head to strike against the cement pavement.

The defendant then stopped for a moment and made off towards Central district in a tram.

The deceased stooped to pick up his clogs and before he could reach them, defendant took him by the legs and held him upside-down. He then threw the deceased onto the ground with a loud thud.

Defendant said witness struck the deceased two blows while the latter was on the ground.

The deceased cried out in pain and then lay motionless.

The defendant, in the meantime, walked to Johnston Road and boarded a tram.

Evidence of the identification

parade was given by Mr. P. W. Shaffain, Assistant Director of Criminal Intelligence (Crime), after which the hearing was ad-

journeyed until this morning.

ANOTHER RAID ON SCOTLAND

LONDON, Oct. 20 (Reuter)—Scotland was raided again to-day. The air raid alarm was sounded three times this morning in south and east Scotland including Edinburgh and the Firth of Forth.

Defending aircraft were seen flying at a great height and four rapid bursts of anti-aircraft fire were heard though no enemy machines were noticed.

The first alarm lasted for half an hour and ten minutes after the all-clear was sounded another alarm was given. Later in the morning the third alarm was sounded.

Germany has decided to clear the Corridor of all Poles in order to allow Germans who have been

evacuated from the Baltic States

to settle there. (Reuter).

FINAL SELECTIONS FOR NINTH EXTRA MEETING AT VALLEY TO-DAY

BY "LAST QUARTER"</

INTERESTING PROGRAMME OF LEAGUE FOOTBALL FIXTURES

"Battle Of The Giants" At C. Hill To-morrow BY "PILAT"

AN INTERESTING PROGRAMME of matches is down for decision this week-end and football of a higher standard should be seen.

The highlight, of course, will be to-morrow's match between SOUTH CHINA "A" and EASTERN. This "battle of the giants" should provide fans with the first big thrill of the season. Eastern, who were close runners-up in the 1938-39 season, lost by five goals to nil to the Caroline Hill team when they met in their first round match last season.

The homesters, will, however, have a slight edge over their opponents in that they have the same team that have been playing together for several seasons now, while Eastern have a practically new batch of players.

The chances of Eastern winning having been commented on in these columns on Wednesday, I will offer no further comment, suffice it to say that whatever the result excellent soccer should be witnessed.

Another interesting game will be that between SOUTH CHINA "B" and the ROYAL SCOTS who gave South China "A" such a good fight last week. The Chinese should win, but I would advise them not to take the Scots too lightly as the latter are well-known for their fighting spirit.

CLOSE GAME INDICATED

A close game is indicated when MIDDLESEX meet POLICE this afternoon at Sookunpoo. The "Diehards" made an auspicious start last week. The custodians of the Law have been none too impressive in their two appearances and have revealed several weak spots, both in defence and attack and, unless they can remedy these faults, they will find it hard going to hold Middlesex.

KOWLOON, though they did not show up well when they beat Navy 4-3 two weeks ago, should gather two points when they oppose the CLUB to-day. The Club have been playing much below First

obtained the Scots only goal, by busting ball and goalie into the net. The Scots' back, Naysmith and Fraser, both performed creditably in breaking up many dangerous Chinese raids.

LEE IN FINE FETTLE

The Chinese, as usual, gave a polished display and showed real championship form. Lee Wai-tong was in fine fettle and delighted his many followers with a sparkling exhibition. Despite the close attention of Faulkner, the Scots' pivot, he managed to get three out of the five goals scored.

Police were considered to be very lucky to have snatched a point from South China "B" for though they led in the closing stages the latter were by far the better team. The Police were without Blackburn and Pile, two mainstays of the team.

Hau Yung-sang, who played for Kwong Wah last year, was steady in defence and appears to have accustomed himself to his new club-mates.

KWONG WAH'S VICTORY

Kwong Wah returned to form and beat the Royal Navy 6-0. The Royal Scots who ran up the big score of 10 goals without reply against the University in the junior division. There was only one upset, South China "B," after outplaying the Police, were unfortunate to be forced to share the spoils in the First Division.

Middlesex opened the season in fine style, trouncing Club 8-1. Their superiority in combination and understanding greatly overwhelmed the Club whose resistance was very feeble.

This was their second big defeat in succession. Fowrow worked like a trojan in the pivotal berth but found Saw and his men too much of a handful. Fowrow played his usual bustling game but, apart from E. Strange, received little support from the other Club forwards.

As expected the champions, South China "A," defeated the Royal Scots 5-1. The score, however, did not reflect the true run of play, for the Scots put up a much better fight than was anticipated.

Hossack was full of energy and

showed improvement but the forwards, through over-anxiety, spoilt what might have been fine scoring opportunities by being off-side.

Eastern, aspirants for championship honours this season, scored another success, easily disposing of St. Joseph's by 5-1. Their superb combination and almost uncanny understanding augurs well for their chances.

GOSANO RETURNS

The Saints turned out what must have been their strongest eleven. A. V. Gosano was seen at centre-half, supported by Hussain and Pereira, but, even with this sound intermediate line, they could not cope with the nippy Chinese forwards.

Sammy Tsang again had a busy day in goal but acquitted himself well and could not be blamed for the five shots that went past him.

CURRENT FILMS

KING'S:—Jesse James (20th Century-Fox). The life and death of a bandit and well-known American character, made into a handsome young man by Tyrone Power. Some impressive and exciting moments are offered in this picture, as well as some embarrassing ones. Generally well-acted and good in parts.

QUEEN'S AND ALHAMBRA:—In Name Only (RKO). Polished metropolitan romantic comedy of the eternal triangle. The theme is capably handled by Cary Grant, Kay Francis and Carole Lombard.

ORIENTAL—Broadway Minutemen (Warner Bros.). Drama of Broadway and the bright lights turned brighter by three hard-to-handle damsels. Here you see Ann Sheridan before she became America's "comph" girl. Her sisters in sickness are Marie Wilson and Margaret Lindsay. Good fun and good music.

CATHAY:—Second Honeymoon (20th Century-Fox). Pretty Boy Tyrone Power and beautiful Loretta Young in a slight, but well-framed, story of young love and youth's mistakes.

MAJESTIC:—Kentucky (20th Century-Fox). Romance and racing in the American South. The acting of Loretta Young and Richard Greene is excellent; and the story, although occasionally heavily-handled, has varied human appeal as well as fine racing scenes. Good entertainment.

STAR:—Between Two Women (MGM). Franchot Tone flounders between blonde Virginia Bruce and brunet Maureen O'Sullivan. Tone plays the part of a doctor casting covetous glances at his brunet nurse whilst his blonde wife is not looking. Smooth-voiced, and occasionally knipping, story.

"JESSE JAMES"
OPENS AT THE
KING'S TO-DAY

The most romantic outlaw in the history of America, the desperado whose daring coloured a whole era and endowed it with the title of the "Serious Seventies"—the man who invented bank holdups and introduced train robberies—has been brought to the screen at last in Daryl F. Zanuck's production, "Jesse James," the 20th Century-Fox. Technicolour epic, starring Tyrone Power, Henry Fonda, Nancy Kelly and Randolph Scott, which opens at the King's Theatre to-day.

One of the most difficult problems facing producer Daryl F. Zanuck, who had already shown his good judgment by casting Tyrone Power in the title role, was to ascertain a fair, accurate picture of what Jesse James was really like, and then to present that picture with as much authenticity as possible, taking care neither to whitewash nor blacken the character of the man.

Two years of research into the life and times of this fascinating character before the actual production of the film was begun.

Besides Power, Fonda, Miss Kelly and Scott, Henry Hull, Slim Summerville, J. Edward Bromberg, Brian Donlevy, John Carradine, Donald Meek, John Russell and Jane Darwell, travelled to shoot this gripping photoplay.

INVESTIGATION
MISSION FOR
CHINA

An investigation mission from Shanghai has passed through Hongkong on its way to China's south-west.

The mission, formed by more than 20 technical experts at the invitation of Mr. Hsu Chia-sheng, industrialist in Shanghai, will investigate agriculture, animal husbandry, mining, water conservancy, medicine and social economic and political conditions in the South-west.

It will draft a report to serve as a basis for investments.

FOUR BANKS

Meanwhile, it is learned, that aside from the four government banks, namely, the Central Bank, the Bank of China, the Bank of Communications and the Farmers Bank, many Chinese banks in Shanghai have open branches in the South-west in aid of economic development. These include the National Commercial Bank, the Shanghai Commercial and Savings Bank, the Continental Bank, the Yen Yeh Commercial Bank, the China and South Sea Bank, the Kincheng Banking Corporation, and the Huai Hsing Commercial Bank.

His Excellency the Governor will be represented by his Aide-de-Camp at the wedding of Miss W. W. Wilcockson and Mr. J. G. Whitaker, R.A., at St. John's Cathedral, and afterwards at the Hongkong Club Annexe, at 5 p.m. on Wednesday next, Oct. 25.

"THE GLORIOUS UNCERTAINTIES OF A CASE BEFORE MR. JUSTICE LINDSELL"

Remark Explained By Mr. M. A. Da Silva

"The glorious uncertainties of a case before Mr. Justice Lindsell," a remark made by an unnamed solicitor in Hongkong, was quoted and explained by Mr. M. A. The claim was for the sum as due and payable upon a promissory note signed by the defendant or, alternatively, as the balance due on the purchase of motor car No. 105.

Defendant denied the claim or that he had ever signed the promissory note in question.

Mr. Silva appeared for the plaintiff, and Mr. Alfred Y. Hon was for the defence.

Fishermen To Resume Occupation

About 300 distressed Hongkong fishermen have now been given the opportunity to resume their occupation and earn their living as the result of the completion of 12 fishing junks which have been presented to the Hongkong Fishermen's Guild by the British Fund for the Relief of Distress in China (Hongkong and South China Branch).

The British Fund recently granted the Guild a sum of \$2,839 for the building of a dozen craft. The junks cost \$3,800, and the balance of the money was raised through private subscription by the Salesian Fathers at the Aberdeen Industrial School.

Fitted with all equipment necessary for fishing activities, the junks were handed over to selected fishermen on Thursday. Nine of the junks were allotted to Aberdeen fishermen, and three to fishermen at Shaukiwan.

An 18-year-old youth, Tse Chuen-lam, whose father was an old and respected member of the Fire Brigade, was found guilty at the Criminal Sessions yesterday on a charge of wounding another youth named So Chun-wing with intent to maim, disfigure or disable him, in Kau U Fong, near Gough Street, on September 7, and was sentenced by the Chief Justice, Sir Atholl MacGregor, to three years' hard labour.

Mr. J. B. Prentiss, Assistant Crown Solicitor, prosecuted, and the following jury heard the case:—Messrs. H. Kin Long (Foreman), A. Abbas, J. C. V. Ribeiro, J. Tam Hung, Low Kin-hing, Lau Kan-leung and Lee Wai-cheung.

RAN WHEN THEY SAW DETECTIVE

Sentence of six months' hard labour was passed on Tang Sung, 30, unemployed, when he appeared before Mr. E. Hinworth, at the Kowloon Magistracy, on a charge of possession of a dagger at Hakka Chun Road, on October 18.

Det.-Sgt. C. Dowman, who prosecuted, said that defendant and another man were seen by a Chinese detective in a lane. When the Chinese detective ordered them to stop, they ran away, but Tang was arrested after a short chase. The dagger was concealed in his girdle. He admitted that he was going to steal in Kowloon City when arrested.

Sentence of three months' hard labour was imposed on Wong Tam, 25, unemployed, by Mr. R. A. D. Forrest, at the Central Court yesterday, for the theft of a gold wrist watch and gold band, valued at \$120. Wong Cheung, described as an actor, residing at No. 33, Johnson Road, third floor, was the complainant.

NAZIS SUFFER ANOTHER DIPLOMATIC CHECK: ANGLO-FRENCH PACT SIGNED WITH TURKEY: TRIUMPH FOR BRITAIN

LONDON, Oct. 20 (Reuter)—It is understood that the pact between Britain and Turkey and France and Turkey was signed yesterday afternoon.

The treaty, which is practically in its original shape and has undergone only very slight and unimportant modifications, provides:

FIRSTLY, THAT THE BRITISH AND FRENCH GOVERNMENTS UNDERTAKE TO ASSIST TURKEY:

(A) in the event of any act of aggression by any European power;

(B) if any action by a European power shall lead to war in the Mediterranean and in which Turkey should be involved;

SECONDLY, TURKEY AGREES TO COME TO THE SUPPORT OF BRITAIN AND FRANCE:

(A) in the event of any act of aggression by a European power involving hostilities in the Eastern Mediterranean;

(B) If the United Kingdom and France are engaged in hostilities as a result of their guarantees to Rumania and Greece;

THIRDLY, THE THREE GOVERNMENTS AGREE TO CONSULT IN REGARD TO COMMON ACTION IN THE EVENT OF ANY CONDITIONS ARISING UNDER THE PREVIOUS ARTICLES.

THE TREATY is for a period of fifteen years.

THE PROTOCOL provides that Turkey shall not be compelled to take action under the Treaty if such action would involve war with Soviet Russia.

FRENCH DELIGHTED

PARIS, Oct. 20 (Reuter)—Well-informed circles are delighted at the conclusion of the Ankara Agreement and interest attaches to the question of what attitude Italy will adopt.

Praising Turkey's loyalty, "Les Temps" says that Germany has suffered another diplomatic check. The question of the Dardanelles was certainly the chief subject of the Moscow talks and that was what caused Germany most concern.

JUGOSLAV APPROVAL

BELGRADE, Oct. 20 (Reuter)—

Although no official comment is available on the Anglo-Franco-Turkish Agreement, headlines and the presentation of the news shows unqualified approval by the Jugoslav press.

A message from Ankara states that Gen. Wavell and Gen. Weygand began staff talks with the Turkish military leaders yesterday.

REGISTERED WITH LEAGUE

LONDON, Oct. 20 (Reuter)—It is learned in official circles here that the Anglo-Franco-Turkish Agreement will be registered at the League of Nations.

SCATHING SPEECH

Continued from Page 1

United States resent the methods the Japanese forces were employing in China to-day and what appear to be their objectives. Mr. Grew declared that the American people had been profoundly shocked by the widespread use of bombing in China, not only on the grounds of humanity, but also on the grounds of the direct menace to American lives and property and accompanied by loss of American life and the crippling of American citizens.

"They regard, with growing seriousness, the violation of interference with American rights by Japanese armed forces in China in disregard of the treaties and agreements entered into by several nations, including Japan," remarked Mr. Grew.

"Not only are the American people perturbed over being arbitrarily deprived of their long-established rights, including those of equal opportunity and fair treatment, but they feel that the present trend in the Far East, if continued, will be destructive of the hopes they sincerely cherish of the development of an orderly world."

"American rights and interests in China are being impaired and destroyed by the policies and actions of the Japanese authorities in China; American property is being damaged and destroyed; American nationals are endangered and subjected to indignities, which, if I detailed, you would unquestionably appreciate the soundness and full justification of the American attitude."

CLOSE ECONOMY

"In short, the American people, from thoroughly reliable evidence, have good reason to believe that an effort is being made to establish control, in Japan's own interest, of large areas on the Continent of Asia and to impose there a system of close economy."

"This, added to the effect of the bombing indignities and manifold interference with American rights, accounts for the attitude of the American people towards Japan to-day."

"It is my belief, and the belief of the American Government and people, that the many things injurious to the United States which have been, and are being, done by Japanese agencies are wholly needless and we believe that real security and stability in the Far

ROOSEVELT URGED TO MEDIATE IN EUROPE

NEUTRALITY BILL DEBATE

WASHINGTON, Oct. 20 (Reuter)—Despite the ample recent indications that President Roosevelt does not intend involving himself in European arbitration in order to secure peace on Herr Hitler's terms, the Senators opposing the arms embargo repeal continue to harp on the desirability of the President arbitrating.

Continuing the neutrality debate, Senator McCarren declared that if only President Roosevelt would not insist on the repeal, he would be in a strong position to mediate in Europe, but if he insisted on changing the status of the country's neutrality now, he would disqualify himself as a disinterested neutral.

Senator Wheeler voiced the opinion in some conservative quarters declaring that Communism, and not Nazism, is the world's real enemy.

AGAINST MEDIATION

OSLO, Oct. 20 (Reuter)—The northern conference has considered the question of mediating for peace, according to newspapers which believe that the Rulers of Norway, Sweden and Denmark have decided against mediation because the conditions are unfavourable.

MEDIATION

The programme arranged by Mrs. Helen Lockhart, which was presented at the concert last night at St. Andrew's Church Hall, in aid of funds for Christ Church, Kowloon Tong, met with a very warm reception from the 100 and more persons who attended. Among the artists who contributed to their talent were Gaston D'Aquino, Eva Turner, J. R. M. Smith, Prue Lewis, Helen Lockhart, Victor Sanders, Les Gibson and E. O'Neill Shaw.

Commenting on Mr. Grew's speech, the "Chung Shogyo," leading financial daily, remarks, "The formal expression of the American viewpoint serves as evidence of the refusal of the United States to accept, either in form or substance, Japan's stand and determination in her endeavour to construct a new order in East Asia at the stake of its national fortune."

FRIENDSHIP TREATY
TEHERAN, Oct. 20 (Reuter)—It was officially announced yesterday that a Treaty of Friendship between Iraq and Japan was signed last night.

TEXT OF ANGLO-FRENCH PACTS WITH TURKEY

LONDON, Oct. 20 (Reuter)—The text of the Ankara Agreement, which is published, consists of nine articles:

FIRSTLY, Britain and France to assist Turkey in the event of the latter being a victim of aggression;

SECONDLY, providing mutual assistance, in the event of Turkey, on the one hand, and Britain and France, on the other, being involved in a war in the Mediterranean as a result of an act of aggression;

THIRDLY, Turkey to assist Britain and France in hostilities arising in virtue of the Anglo-French guarantees to Greece and Rumania;

FOURTHLY, in the event of Britain and France being involved in hostilities as a consequence of aggression by a European power, without the provisions of Articles II and III being applicable, the contracting parties will consult together, while Turkey will observe, at least, benevolent neutrality towards Britain and France;

FIFTHLY, to provide for similar consultation with a view to common action in the event of aggression against another European state, which any of the contracting parties has undertaken to assist, or in the event of indirect aggression which menaces the security of any contracting power;

SIXTHLY, affirms that the treaty is not directed against any country;

SEVENTHLY, the provisions are equally binding as the bilateral obligations between Turkey and each of the two other contracting parties;

EIGHTHLY, if the contractors are engaged in hostilities in consequence of the operation of the Treaty, they will not conclude a separate peace;

NINTHLY, the Treaty is valid for fifteen years and is automatically renewable for a further five years, unless denounced at the expiration of fifteen years and becomes effective immediately.

THE PROTOCOL exempts Turkey from obligations of the Treaty which would compel her to enter an armed conflict with the Soviets.

PREMIER'S MESSAGE

MR. CHAMBERLAIN telephoned to Refik Saydam a personal message of good wishes and congratulations on the conclusion of the Treaty of Mutual Assistance, welcoming this additional proof of the resolve of the three countries to collaborate in furthering their common interests and looking forward to the continuance of co-operation in pursuing the policy in the Treaty.

Scandinavian Co-Operation Might Provide A Model For The Whole World

STOCKHOLM, Oct. 20 (Reuter)—The heads of the Scandinavian States broadcast from the Royal Palace in Stockholm yesterday.

King Gustav of Sweden emphasised the importance of Nordic neutrality and the value of solidarity of the Scandinavian countries.

King Christian of Denmark described the meeting of the Scandinavian countries as a logical sequence to the conference at Malmö in the first year of the last war. His broadcast struck a note of hope for the future.

King Haakon of Norway said Scandinavian co-operation might provide a model for the whole world.

President Kallio of Finland said the Russian demands on

Finland were serious, but he hoped the Soviet would respect her agreements, which provided for the settlement of differences by peaceful means.

He declared that the support granted Finland by the other Scandinavian countries was not limited to words, but had taken expression in action.

CONFERENCE ENDS

LONDON, Oct. 20 (Reuter)—The Four-Power Scandinavian Conference ended in Stockholm yesterday evening.

A communiqué says that the three Kings and the President of Finland, together with their Foreign Ministers, examined the difficulties they were faced with in maintaining strict neutrality.

They unanimously decided to continue the talks on matters affecting neutrality and trade relations.

FINE CONCERT

The programme arranged by Mrs. Helen Lockhart, which was presented at the concert last night at St. Andrew's Church Hall, in aid of funds for Christ Church, Kowloon Tong, met with a very warm reception from the 100 and more persons who attended. Patricide Perpetrators Punished

STRANGULATION SENTENCE

SHANGHAI, Oct. 20 (Reuter)—Two perpetrators of the only patricide in the last ten years in Shanghai are to die by strangulation for their crimes.

They were given capital punishment by Judge Foo, in the First Special District Court, this morning, on charges of murdering their father by electrocution and mutilation of his dead body.

The men, Chou Ching-chi, 24, and Chou Ching-zhang, 31, looking weak and haggard in their long gowns, took the judgment without any show of emotion.

Except in certain highly specialised departments, the fighting services in Britain do not at present require volunteers from overseas, a Government official told the press yesterday. The recruitment of certain specialised people in the Colony was being considered.

FIRST MATCH ON NOVEMBER 20

A meeting of the committee of the Hongkong Badminton League to accept and discuss entries for the League season which commences on Monday, November 20, was held yesterday evening in the office of the "Hongkong Telegraph" Mr. E. L. de Souza being in the chair.

Those present were Messrs. S. A. Gray (Secretary), T. J. McC. Beattie (Takko Dock Recreation Club), A. E. H. Castro (Kowloon Tong Garden City Association), C. Nolasco da Silva (Victoria Recreation Club), O. L. Fisher (Kowloon Cricket Club), F. H. Kwok (St. John's Club), F. Koh (Chinese Y. M. C. A.), P. C. Leung (Chung Wah), M. S. Lim (University Badminton Club), H. A. Noronha (Club de Recreio), H. A. Rahman (Chantecier), J. B. Tomlinson and R. H. Wong (St. Andrew's Club).

It was decided that the closing dates for entry in the League competition would be October 31. Starting time for games would be 8 p.m. as last year, with the usual allowance of 15 minutes for a late start.

THE ENTRIES

The following entries were accepted:

Men's Doubles: "A" Division Chantecier, Chinese Y. M. C. A.; University "A," University "B," Club de Recreio, and Chung Wah, the last mentioned promoted from the "B" Division.

B" Division: Chantecier, Club de Recreio, Kowloon Tong "A," Kowloon Tong "B," Victoria Recreation Club, St. John's St. Andrews, and K. C. C.

ANNUAL CRICKET CLUB FIXTURE TO-DAY

C.S.C.C. Should Give League Champions Good Game

BY "E. U. ROPES"

Now that the "winter season" is well advanced, there will be many counter attractions this afternoon but the cricket programme should prove attractive enough even for the most fastidious follower of the game.

The League proper does not start till January and at present most of the clubs are in the process of team-building as it were, some of the less prominent players being given every chance to prove their worth.

On the Club ground this afternoon, the annual Mixed-Singles encounter will be staged and some good cricket should be seen. The fact that the Races are on might make some difference to the respective teams, but I gather that most of the younger players will be available, and I will be particularly interested to see how the new blood will shape.

HUGHES DUE BACK

Cricketers in general will be interested to hear that Harry Owen Hughes, who has led Hongkong in Inter-Portuguese matches against Shanghai, will be arriving back in the Colony from Home leave in the not distant future. At one time it was somewhat uncertain whether he would be returning, but news has since been received that he has been allowed to come back.

Kowloon Cricket Club will meet the Middlesex in King's Park and here a good game should be seen. I hear from good authority that one or two of the players who did so well for the K.C.C. junior last week will be promoted when the League commences but I have not been able to get the names as yet.

AT SOKUNPOO

At Sookunpoo the Indians will meet the Royal Engineers and though I feel the home team will be too good for the Bappers, it will nevertheless be interesting to see how Capt. Gross will fare in his second appearance on the Sookunpoo wicket. He played there last week but though he made a few runs he said after his knock that he found the wicket a little strange.

Young Derek Hollidge, who played for the Central British School with as much success last winter, has been given a place in the C.B.C. team and is shaping very well though he is still not very confident about his shots. More match experience, I feel, will remedy this. The two junior teams of these clubs meet at Happy Valley where the visitors should win.

CATHOLIC NEWS & NOTES

MISSION SUNDAY: CONGREGATION DE PROPAGANDA FIDE: KINSMEN OF KINGS: SCIENTISTS HONOUR A FRENCH SAINT

To-morrow is observed throughout the Catholic world as "Mission Sunday," that is a day set apart for the help of the Missions by prayer and alms. The celebration of the day, which was begun only a few years ago, has gained in extent every year, and now in every part of the world it is celebrated.

In some places where the celebration would clash with something of local importance it is transferred to another day, but it is almost universally observed on this day.

The growth of interest in the Missions has been very remarkable in recent years, and as account of the vastness of China and of the popularity of its people throughout the world the missions in China are the object of special interest.

HEAVY LOSSES

These missions have naturally suffered greatly during the war. In man alone the loss has been considerable, for twenty priests have lost their lives in the course of the war—most of them at the hands of bandits who took advantage of the war conditions to rob and murder.

The loss of mission property during the war has been enormous, and it is a public loss since most of it consisted of schools, hospitals, orphanages and similar buildings of public welfare.

At the beginning of the war in China the Apostolic Delegate to China sent instructions to all the Catholic Missions throughout the country that they were to sacrifice everything else for the sake of the wounded and the homeless, and that they were to use all the buildings for their benefit, even the churches if necessary. This was carried out literally, and the destruction of the mission buildings was therefore in many cases a great hardship to the people.

DE PROPAGANDA FIDE

The organization of Catholic missions throughout the world is in the hands of the Roman Congregation "De Propaganda Fide" for the propagation of the faith, from which the word "propaganda" has come, with a very different meaning. In all places in the world in which the Catholic Church is fully organized the management of affairs is in the hands of the Bishops, but in other places they are in the hands of the Congregation of Propaganda, acting through Vicars Apostolic and the other representatives. This form of organization has existed since 1622.

There is also a "Society for the Propagation of the Faith," which is an international association of lay people, as well as of priests and religious working for the support and spread of the missions. It was formed exactly two centuries after the establishment of the Sacred Congregation, and from being a society formed a poor girl in Lyons to say daily prayers and make small but regular financial

Contributions towards the support of the missions it has become a world-wide body with thousands of members in all the important countries of the world. It is this Society which is the main support of its people throughout the world the missions in China are the object of special interest.

KINSMEN OF KINGS

When the Rev. Michael Bruce was recently named a Canon of Edinburgh Cathedral it was recalled that he is of the family of King Robert Bruce, being a direct descendant of Robert Clarkman, a cousin of the king. Through his mother Canon Bruce is descended from another Scottish king, St. David I.

A descendant of the last King of Ireland is also a priest, for Rev. Charles O'Conor S.J., who was ordained in Dublin a few months ago, is the next in succession to the most ancient of Irish titles, O'Conor Don, and the descendant of the last of the Irish kings. His family is one of the oldest in Europe, for it can trace its descent through a legitimate line to the year 75 A.D. The family was joined by marriage with the Royal family of England in the days of Edward III. On the same day that Fr. O'Conor was raised to the priesthood another Jesuit ordained with him was Fr. Joseph Mallin, whose father was one of the Irish leaders executed in connection with the rebellion of 1641.

FRENCH SAINT

All the great scientific societies of France, including the French Academy, sent official delegates to Clermont-Ferrand this year for the Congress which marked the fourteenth centenary of the birth of St. Gregory, Bishop of Tours, who is one of the great figures of early French history. He was called to rule the See of Tours at a very difficult time, when Roman civilization had broken down and various Frankish princes were quarrelling for power.

He was a man of great natural ability and wrote numerous books, though he protested that his education was slight and that therefore he was incapable of elegance of style. Actually there were few of his age that wrote with greater correctness and none with more erudition. His chief work was a History of France in ten volumes. In this the most famous part is that which describes his own age, and it is one of the most valuable sources of our information about the historical origin of the Frankish monarchy.

There is also a "Society for the Propagation of the Faith," which is an international association of lay people, as well as of priests and religious working for the support and spread of the missions. It was formed exactly two centuries after the establishment of the Sacred Congregation, and from being a society formed a poor girl in Lyons to say daily prayers and make small but regular financial

KWANGTUNG TO INTENSIFY FOOD PRODUCTION

SHIUKWAN, October 20 (Central)—Efforts are being exerted by the Kwangtung Bureau of Agriculture and Forestry to intensify winter farming in order to meet the wartime demand for food supply. Mr. Liu Yung-chi, Director of the Bureau, revealed in a recent press interview.

The province, according to Mr. Liu, has been divided into five districts in each of which agricultural experts have been appointed to supervise winter farming.

The total winter farming area has been roughly estimated at 1,000,000 mow. Arrangements have been made with the Kwangtung Provincial Bank for a loan of \$3,900,000 as capital for extending credit loans in aid of winter farming. Meanwhile, \$5,000 has been appropriated from the provincial treasury to purchase improved seeds and fertilizers to distribute to diligent farmers as an encouragement. Mr. Liu stated.

RICE IMPROVEMENT
The Bureau, Mr. Liu continued, is paying special attention to the improvement of rice. A number of rice experts have been sent to various districts to undertake this work in collaboration with men of the Central Agricultural Research Bureau. A Rice Improvement Bureau has meanwhile been established to do experimental work.

Improved methods of rice planting will be first introduced to

Twenty districts in the northern northeastern and southwestern parts of the province, and will be extended over to 4,000,000 mow within five years. By the end of that period an annual increase of 4,000,000 piculs in the output of rice is expected.

Improvement of fertilizers will also be undertaken.

KWANGSI'S SUGAR OUTPUT

KWEILIN, Oct. 29 (Central)—An elaborate plan for the increase of sugar production in Kwangsi has been drawn up by the provincial authorities.

According to the plan, technical guidance and financial assistance will be given to sugar producers. The establishment of small sugar refineries will be encouraged, and the methods of sugar-cane cultivation and sugar refining will be improved.

A special bureau will be created to give technical guidance. The Kwangsi Provincial Farmers Bank will be instructed to extend credit loans to sugar producers.

Kwangsi is one of the chief sugar producing provinces in China. It has an output averaging 500,000 piculs annually, which represent 10 per cent. of the total of the country's sugar production.

The main sugar-producing centre in the province is Kweilin on the north bank of the Yuez River southwest of Kweilin. Other centres include Liukang, Yungfu, Kungcheng, Liuchow, and Tschien.

In Kweilin alone, there were more than 13,000 mow of sugar-cane plantations and 200 sugar refineries prior to 1935, producing some 400,000 piculs of sugar each year. Since 1933, when the Kwangsi Provincial Sugar Refinery, capitalised at \$885,000, was established, the production has been doubled.

H. K. STOCK EXCHANGE

Uncertainty, both as regards political conditions outside the Colony, and economic within, has had a restraining influence on the market.

The Trading Board during the week has called for no overtime efforts on those responsible for keeping it spick and span, the deals recorded thereon having been the most meagre for many weeks past. The consolation, which has been so marked a feature of the market for some while, still obtains, there still remains no disposition on the part of holders to jettison their scrip.

EGYPT'S COTTON
CORP EXPORT

LONDON, Oct. 20 (Reuter)—In the House of Commons yesterday, asked by Sir John Wardlaw-Milne (Com.), whether he had any statement to make in regard to the Egyptian cotton crops, the Prime Minister replied: "His Majesty's Government recognize the vital importance to Egypt of the cotton crop now available for export and are considering what action they should take to assist in its orderly disposal."

BRITISH RATION
PLANS READY

LONDON, Oct. 20 (Reuter)—Bacon imports from Denmark, which have been suspended for a fortnight, are now to be resumed. The Ministry of Food also announced yesterday that rationing plans in this country are well advanced. Ration books will be issued at least ten days before the introduction of rationing, so that people will have plenty of time to register with shops.

HOW NOT TO EAT
IN GERMANY!

LONDON, Oct. 20 (Reuter)—Germans were given further advice by the Berlin radio announcer yesterday in connexion with food rationing. The announcer suggested menus, which contained no meat and no butter. He also announced that German troops and labour service men were drinking tea made from strawberry and blackberry leaves.

**ACCIDENT TO A RIDER
MARKS SECOND ROUND
OF STUBBS CUP POLO**

**Two Interesting Games
Played Off Yesterday**

Two more matches were played in the Stubbs Cup Polo Competition yesterday when Team B met and defeated Team C by seven goals to four, and Team A met and defeated Team E by eight goals to three. Both matches were played on the Hongkong Polo Club's ground in Boundary Road, Kowloon and were watched by a representative gathering of interested spectators.

The first game, between Teams B (Red) and C (White), was marred by an accident which fortunately was not attended with serious consequences. Major A. S. Godley fell off his horse in the third chukker and was badly shaken. He appeared to have been hurt in the head in his fall and took no further part in the game. Capt. Chatty deputised for him.

The Reds (Team B) starting followed by a terrific shot from with a handicap of plus three mid-field by Capt. Gilbertson who were able to win by just that margin. The game was slow and goals of the evening to increase uninteresting. Capt. Smith opened scoring with a beautiful drive, and succeeded in adding another before the chukker ended with the score three—two in favour of the Reds who had still not scored a goal in actual play.

The Reds improved in the second chukker. Capt. Wilson and Marshall being specially prominent in the attack and each of them scoring a goal raising the Reds score to five against the Whites two.

MID-FIELD PLAY

A certain amount of mid-field play marked the opening stages of the third chukker before Capt. Wilson, breaking away from a scramble went on to raise Reds score to six. Capt. Smith later dribbled in White's third and the chukker ended with no further improvement in the score.

Play was interrupted for some time following the accident to Major Godley. As already stated, Capt. Chatty took his place for the remainder of the game.

Play was a little faster in the last chukker and the game veered from side to side. Each team scored a goal, the Reds through Marshall and the Whites through Capt. Smith.

The players were—Team B (Red) Capt. W. B. Wilson, D. I. Marshall, P. E. Nicholson and Major W. G. Temple. Team C—Major P. S. Whitehead, Major A. S. Godley, Lt.-Col. D. J. McDougall and B. R. Smith.

FASTER GAME

The second game between Teams E (Red) and A (White) was faster and much more interesting and provided the spectators with some exciting moments. Scoring started within two minutes of play through Capt. Hunt for the Whites, who added two more before the chukker ended with the score at Whites three—Reds one (their handicap).

The second chukker saw Bousfield, through hard riding and hard hitting, take the ball almost within scoring distance, when a neat pass to Capt. Burn enabled the latter to dribble in the fourth for the Whites. Lt. Holdsworth then took command and keeping off an attempt to ride him off, chased down the extreme end of the field to increase the White's score to four. The Reds were still two.

Early in the third chukker Lt. Col. Genet just missed scoring with a beautiful hard drive. Play moved to the other end and Bousfield in an attempt to score again was ridden off, but he succeeded in getting the better of a number of brisk exchanges and went on to score the fifth for the Whites. Lt. Col. Genet added another after a scramble at the goal mouth, and the Whites score was still further increased by Hunt who shot from a centre by Lt. Col. Genet, the chukker ending with the Whites score seven and the Reds two.

LONG SCRABBLE

The fourth chukker opened with a long scramble for the ball from which Bousfield eventually broke off. He was however, overtaken by Major Penfold, who turning round with possession of the ball, went on to score for the Reds, bringing their score to three. This was

FIRST LEAGUE POINTS

Of four matches to be played on the C.B.A. ground, the opener will see the International Athletics

opposed to the Filipino Club; both sustained heavy defeats in their initial appearance and will go all out to garnish their first league points.

The Filipinos have lost the best players of last season and will have a difficult time holding the inexperienced but better balanced

squad of Internationals. Their

only hope is that Loyola might

strike his best form to pitch them

to victory, but they also will not

have an easy time against the

I.A.C. battery of Albert Leonard

and Sherry Bux.

LONDON: Oct. 20 (Reuters)

—It has been officially announced that the National Hunt will be raced in Leicestershire on November 20 and 21.

Meetings will also be held at Windsor, Cheltenham, Haydock Park, Newbury, Wetherby, Gatwick and Plumpton.

The first game, which will commence at 3.30 p.m., will be between the Club "A" XV and a Navy XV and will be refereed by Lt. Pirie.

**Rare Entertainment In
Store For Softball Fans**

BY R.O.Y.

In contrast to the lop-sided results of the opening day's softball programme, all five of to-morrow's fixtures are expected to provide close finishes for the entertainment of fans who turn out at King's Park.

Highlight of the day's programme will be the meeting of Recreio "A" and Chung Hwa, at 11 a.m. on the Recreio ground. Enthusiasts will remember the stirring struggle put up by these two contestants in last season's play-off series, when the Portuguese boys triumphed by 3 tallies to 1.

The Rambling Rebs have their championship squad intact, but are likely to find a place for Lima at the Hot Corner, this would necessitate the switching of Spotty Pereira to the other side of the infield, but the deciding, of which

Pereira to the other side of the infield, but the deciding, of which infelder, to drop, will cause Maestro Henrique Barros some uneasy moments.

PROBABLE CHANGES

The Chinese do not appear to be quite as strong as last year's aggregation, but a little stiffening of the outfield will improve the apparent improvement over their

squad immeasurably. Manager Richard Chung will probably hand probably finish the season in the over the third base position to P. depths of the second division.

The Trojans unexpectedly trounced the Chinese baseballers to cost the latter the league championship last year, and can be expected to put up a steady show

that should give them a win over the English Forum, despite the latter's better league record.

RARE BATTLE

Judging from last week's displays, the Machine Gunners and the Central Britishers, who tangle in the nightcap at 4.15 p.m., are going to have a rare battle to keep out of the cellar position. The Central Britishers promise to

spring a surprise if they can field a full line-up, as Manager Pinky Higgins' intimates will be done. George Fowler will again start on the mound while Rusty Fedosey will patrol the Windy Alley.

Sgt. Major Porter will make several positional changes in the Gunners' starting line-up, but the players will be essentially the same as those who lost to Chung Hwa last week.

**THE CHINESE YOUTH'S MEDICAL
RELIEF ASSOCIATION**

The Chinese Youth's Medical Relief Association will hold a charity ball in the Rose Room of the Peninsula Hotel on Wednesday, November 29. A meeting was held yesterday at the Metropole Hotel, where a Ball Committee was formed. Tickets, which will be available at 77 per person, will be obtainable shortly.
